FOREST

Making our way through the forest
The sound of our feet softly patting the earth.
We have chosen this path to take,
-catching pieces of eachother's lives.
We can be anything, we will always stand
incredibly strong, and never will we deny dreams.
There is a mark to be made.

And we change, and we change, and we change,
Losing eachother in ourselves,
Mistaking life for pain, and tears for weakness,
Forgetting who we are - life reflecting time-
Getting older and older
Making our way through the forest
Not realizing
that all of these trees are wood for history-
Burning to ashes as we search on our path
  for something more than this,
And we paint our faces with scars.

We have chosen this path to take,
In quick glances over our shoulders
we cannot see tears as our weakness
Or pain as our mistake, but we can
see clear beyond regrets.
We know that to hold to pain means pain forever,

Every moment is it's own excuse for itself,
Every moment lives because it was granted
Life before it was born.
  Whether a mark, a scar, or a memory,
We will remain in the minds of one another,
We are pieces of eachother's future,
  We have caught eachother's past.
And now we stand just as sure
as when we began,
incredibly strong- shoulder to shoulder,
Venturing forth,
  out from a forest of fire like soldiers.

Principal's Message

Mr. Piecara

As I reflect upon the 1994-95 school year, and the students I have watched mature during the past four years, two key words come to mind: commitment and success. I believe that each of you has learned the value of commitment, dedicating many long hours to the successful completion of your personal goal of graduating from Marple Newtown Senior High School. Success, the positive completion of a personal goal or objective, is the feeling that you are experiencing as you prepare to accept your diploma from high school and begin to accept the many new challenges your future has for you. With graduation rapidly approaching, I believe you have truly learned the meaning of commitment and success, and the positive correlation of one on the other.

I encourage you to accept whatever the future has for you with a positive attitude and to dedicate yourself to accomplishing your goals. Remember that success does not have to be measured by material standards, and that successful people will find contentment with the knowledge that they have committed themselves to the pursuit of excellence. Wherever your future takes you, whatever the responsibility, commitment to the pursuit of excellence will lead to lasting success in life.

I wish you continued success, good health and the best that life has to offer.

Foreign Language

"No hay limites, salvo el cielo."
-Miguel de Cervantes

Dear Graduates:

As you leave the familiar halls of M.N. and start your walk "down the road of life," your foreign language teachers and I trust that the French, German, and Spanish skills that you have developed here will provide many enriched opportunities for profit and pleasure. In the smaller, interdependent world in which you will live and work, the ability to communicate with those with whom you share the globe will become more and more a survival skill. Equipped with your foreign language skills, you will encounter expanded career opportunities, will be able to make new friends at home and abroad, will have a better understanding of different cultures, and will have a greater appreciation of the English language and our American way of life. And of course, in your future travels, we hope you will have a wonderful time ordering a mousse au chocolat in a parisian cafe, asking directions to a Madrid restaurant that serves paello, or buying a ticket for a boat trip down the Rhine.

We congratulate you on your accomplishments, extend best wishes for your future endeavors, and trust that your foreign language proficiency will provide you with a passport to expanded opportunities.

True Beginners

What can we say about freshman? They are young and inexperienced. They are hesitant and hopeful. Yet we can all sympathize, since each of us was in ninth grade at sometime. Thrown into high school, straight from Paxon Hallow, the Class of 1998 seems to be doing just fine. College is still too far away to worry about, so they can concentrate on finding their classes on the third floor. In every sense of the word, they are "Starters."

Juniors At Work

This year's Junior class has certainly shown us how exceptional they really are. Their involvement in and dedication to the High
School spirit has been manifested by their successful fundraising activities. These included the game, and the computer match ups. During Spirit Week their enthusiasm and drive resulted in a 3rd place finish. The Individuals responsible for this great year were Sean Loughlin (President), Kelly Dean (Vice President), Jen Paretchen (Secretary), and Carl Russo (Treasurer).

The soccer team had a roller-coaster season. starting hot, losing some tough games in the middle, and finished the regular season strong to qualify for post-season play for the first time in several years. The team was relatively young, starting eight juniors throughout the year. With the team losing only four seniors, the team is expecting good things for the upcoming year.

In her first year of coaching tennis at Marple Newtown, Miss Yannacone led the girls tennis team to a strong third place finish in the Central League. The only losses were to Conestoga and Radnor. For the second year in a row the team competed in the District Playoffs, but unfortunately lost to Central Bucks East. What's it called when you sweat cold?

In the eyes of captains Emily Adams, Andrea Flexer, Mandy Sheeds, and JoAnna Wallace our '94 team had a successful winnilng record of 4-2-3 in the Central League. Though we experienced some tough loses to Radnor and Ridley we learned a great deal about ourselves and grew as a team. We would like to give a special thanks to our couach Wendy Smith, who not only inspires us through her coaching, but also leads us to find the pride within ourselves. And a special thands to our fans who supported us through the season. Best of luck next year, Central League Champs all the way! Tiger Pride!

Chocolate, bubbles and men. Pernament serves. Megan watch out for those bleachers. How's your ankle Becky? Watch out for Lisa's serves. But best of them all, Hema Shah! Great year volleyball!

We played some of the strongest teams in the whole area, split a few matches, and came close to winning all the athers. We won games because we worked to the max, played as a single body, picked each other up, never put each other down, and always had fun. We had a 9-9 season and moved on to the region. Thanks for the support underclassmen, Mr. Provost, Mr. Ott, and Mr. C.

Girls Swimming

The MN girls' swimming and diving teams finished 7-2 this year in the Central Leaguc. They had many hard-fought victories and two very heart-breaking losses. Seven girls went on to compete at the District Championships, and Erin Teeple and Sandra Robinson both moved on further to compete the State Championships. Sandra Robinson also set a new school diving record, as wcll as a new Central League record. Congratulations girls on a very successful season.

Teeple Power, Kelly-tripping over walls, Emily-"the stick", Sarah-our freshman cheerleader Consistent Annc, our bus crashing into a bridge, dancing before meets, and carrying on the "Victory" tradition. Good luck next year, and keep up you spirit!

Scott keep trying. Tri-captains forever.

The 1994-95 men's swim season was full of competition and many memorable moments. Unfortunately, MN lost four meets by less than 15 points. Never the less. we ended our season 5-4 in the league and 8-7 overall. Even though tri-captains: Scott Heinerichs, Brian Moore, and Jim Stout are graduating this year, the future still looks bright for Men's Swimming at MN having gained 9 freshmen this year. Mr. Gorski, thanks for all of your hard-work and support

In late October, the MN football team played a hard fought game against Upper Darby. Despite the tough battle, Marple's football team was upset by its challenger, who was on a hot winning streak. It was the toughest loss all year for MN. Yet the energetic crowd added to the excitement of homecoming. During halftime, the 1994 Homecoming Court was announced: Kelly Maclean and her escort Frank Zanin, Amy Drake escorted by Stephen Arraya, Sue Nance with Scott Digennaro, Staci Bender with Drew Heinerichs, and Rita Gunn escorted by Scott Heinerichs. Former Queen Jennifer Puleo passed her crown on to the new 1994 Homecoming Queen, Sue Nance.

POWDER PUFF

Spirit Week '94

The fun began on Monday, November 21 when each class performed in skits dealing with different decades. The seniors came in 1st place, sophomores in 2nd, juniors came in 3rd, and Freshman forfeited. On Tuesday the games continued when the senior/Freshman team beat the Sophomore/Junior team at the Powder Puff Football game. Everyone relaxed afterwards at the Student Council Sponsered bonfire. On Wednesday the winners of the canned food drive were announced. The Seniors came in 1st and the whole school donated over 2000 cans to the needy. Finally, during last period on Wednesday all the classes showed their school spirit at the pep rally. Here the winners of spirit week, the class of '95, were announced. The sophomores came in 2nd place, the juniors came in 3rd, and the freshman came in last place. Spirit Week '94 was an exciting week we will all remember.

Seniors

The 1994-1995 Tiger Band has had an extremely successful year. On the football field, the marching band put forth outstanding performances in two competitions, including the 25th anniversary of MN's "Bandarama." Highlighting the fall season were performances in the Hanover Halloween Parade and the 1994 Miss America Parade on the boardwalk of Atlantic City. The Concert Band has also been successful, performing a variety of very challenging music. The year will culminate with the spring trip to Virginia Beach, where the band will compete in both a concert and a parade competition. Thanks go out to Drum Major Scott Ellis, Assistant Drum Major Alan Silver, President Greg Cluver, the band officers, and the entire band. Special thanks to Mr. Jchanian, whose dedication and effort has enabled the band to grow and maintain a high standard of excellence.

This year's fall play, Gentlemen Prefer Blondes, was a delightful face that brought out the many talents of our student body on the MN stage. Marple Newtown theater veterans Michelle Siter, Ryan Harlin, Claire E. Clay, and many others were able to bring the stage alive with their roles as Lorelei Lee, Jeremiah Lee and Dorothy Gilbert. Great job everyone.

Class of nineteen hundred and ninety five

From kindergarten to senior year, we gradually came together to create one of the greatest classes at Marple. Along the way, we made new friends and lost others, but after uniting, we learned how to work together to do the "impossible.".

I would like to congratulate the Class of 1995 for all their hard work and accomplishments. Especially, for being so spirited and winning Spirit Week two years in a row. Many thanks to you, for electing me as secretary of our class, sophomore and senior year. Together we made our years here at Marple memorable and enjoyable. I know we'll never forget the good times we had here, because this was just one step in our lives that will lead us to many more. The experiences we had here will remain with us forever and we will look back at them in the years to come. I would like to wish all of you the best of luck in college and whatever life offers you. Never forget your "Tiger Pride", keep smiling (Because a smile is a great gift- one size fits all, and it's easy to exchange), and don't ever let anyone knock you down.

Litsa Bottos
Senior Class Secretary

"The future's in our present hands, let's reach right in, let's understand, if you want it you've got to believe, believe in yourself, cause it's all just a game." Good Luck guys!

Hillary Greenberg
Senior Class Treasurer

As we come to the end of our high school career here at Marple Newtown we must all look forward to what lies in the future for each one of us. The end of high school is the beginning of our life. We will go off to college and slowly drift apart from each other; but we all must remain close in each others hearts. Looking back on the days at Marple are hard to let go of, and the bonds we have formed with our friends and teachers are hard to break, but we have to. Saying good-bye is hard, but everyone must do it. We all have fond memories of Marple and our special moments we all shared together, the important thing is to never forget them. Class of 1995- I wish every single one of you the best of luck. I will miss you and I love you.

Scott DiGennaro
Senior Class Junior Vice President

To Mrs. Fowler, Mrs. Lanshe, Mr. Baily, and Mr. Gwirtz:
Thanks for always putting our class first.

To my friends, companions, and fellow peers:
We will always keep in touch-never any tears.

From the car wash, the Soph-Hop, to the two Spirit Weeks,
1995 conquered all- we are anything but meek.

The formal, proms, and Variety Show-
That we are the best, we will always know.

Onto graduation, when we will say goodbye-
In our hearts are memories that will never die . . .

My deepest thanks to the Class of Nineteen Hundred and Ninety-Five for letting me serve you these past four years. I wish you all success in whatever path you choose to take in life. Never forget . . .

Love,
Himani Shah
Senior Class President

The past four years at MN have been a tremendous experience for me. We all have developed friendships with each other that will last a lifetime. We have managed to pull through the bad times over the past four years to make our senior class a memorable one. I believe the Class of 1995 is a willing group who can succeed in whatever they wish to pursue. Good luck to all my friends and classmates. Thanks for choosing me as your Vice-President. Hema, Hillary, Scott, and Litsa- Great Job! Also thanks to Mrs. Fowler and Mrs. Lanshe. We made it!

Senior Foreign Exchange Students

From left to right, Irena Gutsu, Gilberto Salinas-Aguirre, Claudio Carneiro, and Guy Freshwater

Irena is from Chishinall, Moldova. She currently resides with the Callahans of Newtown Square. She says that the major differences between schools back home and those in the United States are that there are no study halls, breaks are twenty minutes long between classes, students have different subjects each day, and that lunch can be eaten whenever the student is hungry. In Moldova, there is no drinking age. However, the legal driving age is the same as that in the U.S. — 16.

Irena says that it is not easy to make friends here. However, she has succeeded in doing so. The people she has met are now like family to her.

Gilberto comes to us from Victoria, Mexico, which is in the northeastern region of the country. He likes the fact that students can choose their subjects. In Mexico, teachers move from clas to class, as opposed to the students. Gilberto is glad that he came to the U.S. He has learned different customs, such as Thanksgiving. He invites Marple to come to Mexico and tast a little bit of its culture, too.

Claudio is from Goias, Brazil, which is in the central part of the nation. He says there are no major differences between the school systems of Brazil and America. The school year begins in August and continues until November. Then there is a break until February, when classes resume until July.

Claudio has made many friends here, who have made his stay in the U.S. very enjoyable. He will be here until June, 1994. Upon returing to Brazil, Claudio plans to attend college.

Guy's hometown is Dundee, Scotland. He has noticed many differences between his hometown and America. There is a greater amount of poverty back home. People are also more friendly here.

In Scotland, the driving age is 17. However, a person is legally an adult by the age of 16. When asked what Guy likes most about America, he replied that he loves Mountain Dew, a beverage not available to him in Scotland.

Last Words

Well, what's left to say? A year's worth of planning and late nights have finally ended in what I hope to be a great yearbook. Thank you to everyone who got ads, typed, and helped me with layouts. Special thanks to Deena Hoffman for understanding me when only a few shreds of sanity remained. Good luck next year, and always plan for the unexpected. Terri, Ali, Kelly, Jae, and Rachel: remember teamwork makes the best book. To Janice Bigelow and Bill O'Brien for helping me when deadlines were barely met and for unlimited understanding. To Mr. Williams for always supporting and caring about me even when the biggest crises happened. To Rachel- thanks for the fabulous layouts and sorry for so many calls. To Jo- for a great sports section. To Becky for believing that a better yearbook meant more ads. To Rachel Cohen for delivering great results. Thanks to all who bought a yearbook. Congratulations to the Class of 1995, good luck in future endeavors, and hold onto your memories.

These things are good: TLA, dada, moon-watching, chess, fuzza, DQ, burning chickens, mutant, ski trips, Chinatown, (Rose Tree) fairs. Jason- Any stories? Power's out - later. Vince- thanx. (Media) volleyball rules. My utmost love to Mom, Dad, and Wayne. Remember—Never succumb to pop culture - take your own path. Matthew 7:13-14. So my friends, till then.

Destined

Looking back upon times past
yet grasping the hand of the future,
like the season, we thrive
in the spotlight if the rising sun;
only to remember
the shadow of the past
and the memories which, like autumn leaves,
fell
and are destined to bloom again.
